Development As Freedom

Indeed, in Sen's viewpoint, education and social development is a fundamental freedom that is desirable in itself and not just because of its impact on the commodity production process. Development as Freedom touches on every topic under the sun; from philosophy to sociology and from science to - of course - economics.

## Years Later ...

Development can be seen as a process of expanding the freedoms that people enjoy. Focusing on freedoms contrasts with narrower views of development, such as identifying development with the growth of gross national product, or with the rise in personal incomes, or with industrialization, or with technological advance, or with social modernization.
