Digital Design, fourth edition is a modern
update of the classic authoritative text on
digital design. This book teaches the basic
concepts of digital design in a clear,

Digital Design - National Institute of
Technology, Srinagar

This edition of Digital Design builds on the previous four editions, and the feedback of the team of reviewers who helped set a direction for the presentation. The focus of the text has been sharpened to more closely reflect the content of a foundation course in digital design and the mainstream technology of today's digital systems: CMOS circuits.
