A historical dictionary or dictionary on historical principles is a dictionary which deals not only with the latterday meanings of words but also the historical development of their forms and meanings. It may also describe the vocabulary of an earlier stage of a language's development without covering present-day usage at all. A historical dictionary is primarily of interest to scholars of ...

Historical dictionary - Wikipedia

The Oxford English Dictionary is a living document that has been growing and changing for 140 years. Far more than a convenient place to look up words and their origins, the Oxford English Dictionary is an irreplaceable part of English culture. It not only provides an important record of the evolution of our language, but also documents the continuing development of our society.

HISTORICAL (adjective) definition ... - Macmillan Dictionary

The Oxford History of the British Empire is a major new assessment of the Empire in the light of recent scholarship and the progressive opening of historical records. It deals with the interaction of British and non-western societies from the Elizabethan era to the late twentieth century, aiming to provide a balanced treatment of the ruled as well as the rulers, and to take into account the significance of the Empire for the peoples of the British Isles.

Oxford History of the British Empire - Oxford University Press

British History Online contains an extensive range of sources for urban history from the early medieval period to the 20th century. There is a particularly rich array of source material for the history of London, which during this period grew from a city of some 80,000 people into one of the world's largest metropolises.
