Examples of meditation include: painting or drawing, working in the garden, staring at the ocean, playing with your pet, jour-naling, teaching your child how to play a sport, dancing freely to your favorite music, etc. Other forms of meditation include tai chi and yoga, which incorporate breath work with choreographed movements. Th ese

How to Meditate: A Primer for Beginners  
DAAJI continues his series on everyday living, introducing the tenth universal principle of the User ' s Guide, which is a prayerful approach to continuous self-improvement. This principle nurtures self-acceptance, and allows us to appreciate that we are a work in progress. It offers a method to observe ourselves with self-compassion instead of guilt and shame.
