help me understand the child's mistaken goal?"

Understanding the Mistaken Goal of ... - Positive Discipline

In Positive Discipline we emphasize the importance of understanding the belief behind the behavior. You can use the Mistaken Goal Chart and the Mistaken Goal Detective Clue Form to accomplish this goal. You will be much more effective in encouraging behavior change when you deal with the belief behind the behavior instead of just the behavior.

Mistaken goal chart | Positive discipline, Goal charts ...

Because positive discipline is not permissive, the point of identifying a child's mistaken goal is not to ignore the behavior itself; inappropriate behavior must be stopped. The point is that when a parent or teacher has more information about why a child misbehaves, he can choose his explanations, tools, etc with more care and directly address the child's actual problem.
