Talent assessments are tests used by companies to evaluate whether a job candidate would be a good fit for a particular position. You might take a talent assessment online or in person, depending on the company and the job opening. Once you take a talent assessment, the company will evaluate the results as they consider you for the position.

Personality tests are usually written in such a way as to reveal any attempt at dishonesty. The goal of employment personality testing is to hire people who fit the profile of the ideal employee the organization is seeking.

Talent Assessment Tests

Talent assessments are utilized to help predict a new hire's job performance and retainability. The focus is on potential skills and abilities, as distinct from either personality or developed skills revealed by an applicant's work history.
